Hi Andrea,

Attached please find the email that was sent to you (and others on the PN list) on March 7, 2016.

I do see that the NPDES no. was transposed in the message sent, but the number was correct on the notice itself.

Please know that I only delete/edit email addresses when someone contacts me to make a change.

Have you been getting other emails relative draft permits, e.g. Ipswich, Pilgrim this morning?

If you have any further questions/concerns, please contact me.

Thanks,

Olga
